About our speaker

Synopsis:

Pastor Jason Ong, a two-time cancer survivor, has been fighting a rare form of brain tumour in 2004. Despite receiving this "death sentence", Ps Jason turned to God and remembered the words from Romans 8:28 – "God works for the good of those who love him, who have been called according to his purpose." He was determined to make the most out of the time he had and bravely told his wife, Judith, "This is not the end. We still have 6 months."

Fear arose but God turned it to FAITH! God turned Jason's focus on Christ, giving him courage and strength to serve the marginalised, widows and abandoned children (Psalms 82:3-4). Hence the F&B business, Olive Vine, was born.

In a divine encounter with Jesus, Jason received a new breath of life and God has since sustained his life.

Profile:

Pastor Jason Ong, co-owner of Olive Vine restaurant together with Judith Halim (wife and business partner), is a missions pastor (ordained by Pastor Chris Hayward, President of CLEANSING STREAM MINISTRIES, USA). Together with Judith, they have been providing humanitarian aid and education to orphans as well as poor and needy families in countries such as China, Pakistan, Myanmar, Philippines and Indonesia. In order not to raise funds and/or profit from ministry, all feeding and community transformation projects are funded by profits from the restaurant as part of a "tent-making" ministry.
