Testimony from Kairos Alumni

As a Kairos alumni, I experienced a difference in my recent medical-dental mission trip to Siem Reap compared to my previous trips. I applied a lot of what I learned in the course, especially on the mission strategies and importance of understanding the cultural differences in reaching out to the least reached people.

(Lina Wong, Kairos Alumni 2017)

The Kairos course provides a good biblical perspective and understanding of God's heartbeat for missions and reinforces the calling for me to obey the Great Commission. I also learned about the history, strategies and cross-cultural challenge of missions and would highly recommend all those interested and involved in missions to attend this course.

(Tan Chow Boon, Kairos alumni 2017)

Missions is at the heart of God's plan for the world. Through Kairos, we explored the different aspects of missions by studying the Word and sharing in small groups. Kairos was a good opportunity to look at the fundamentals of missions and God's plan for the world in an organized and structured way. I've personally enjoyed the course very much and now have a greater appreciation for each and everyone's role in our Father's work on earth.
