All prevailing safety measures will be observed at in-person events and activities, including TraceTogether Checking In/Out, temperature scanning, and social distancing in groups of 5. All guidelines for in-person services and activities at Faith are in line with prevailing safety measures by the Ministry Of Health (MOH). For more details, please visit the MOH website at <https://www.moh.gov.sg>.

**Pre-Event Testing (PET) results must be valid for 24 hours until end of service time*

8AM TRADITIONAL & 11.15AM CONTEMPORARY IN-PERSON SERVICES

Frequently Asked Questions (FAQs) – Vaccination & PET-Exemption

1. Will on-site pre-event testing be provided?

No, on-site pre-event testing will not be provided. Worshippers will need to visit any clinics offering ART or PCR testing services (<https://www.moh.gov.sg/licensing-and-regulation/regulations-guidelines-and-circulars/details/list-of-covid-19-swab-providers>) to undergo their own pre-event testing. Costs of pre-event testing will be borne by the worshipper. Please note that DIY Home Kit swab tests cannot be used in lieu of clinic-conducted pre-event testing.

2. How will my vaccination / PET-exemption status be verified?

Worshippers are encouraged to upload their vaccination reports to our Worshippers' Database at <https://faithmc.sg/myparticulars> for pre-verification. You can obtain your vaccination report via the Singpass App under HealthHub -> COVID-19 Records -> Vaccination Records -> Download PDF. Worshippers can also submit a hardcopy of their COVID-19 Vaccination Report at our service / event venues for inclusion in our Worshippers' Database. Please note that only vaccination reports showing a fully vaccinated status will be accepted for pre-verification (i.e. no "In Progress" reports).

Pre-verified worshippers will then be granted entry to our service / event venues upon **verification of your name** or by showing your vaccination status on the TraceTogether App.

Worshippers who have not been pre-verified can either:

- i) Show their vaccination status on the TraceTogether App, or
- ii) Present a hardcopy of their COVID-19 Vaccination Report, COVID-19 Test Result Notice (ART), COVID-19 Test Result Notice (PCR), or PET Exemption Notice. Please click [here](#) for examples of acceptable documents for entry to service / event venues

3. What can I do if I am not PET-exempted and have yet to be fully vaccinated?

Worshippers who are not PET-exempted and have yet to be fully vaccinated can either:

- i) Visit any clinics offering ART or PCR testing services (<https://www.moh.gov.sg/licensing-and-regulation/regulations-guidelines-and-circulars/details/list-of-covid-19-swab-providers>) to undergo their own pre-event testing, and bring along their test results for entry (refer point 2ii). Please note that DIY Home Kit swab tests cannot be used in lieu of clinic-conducted pre-event testing
- ii) Attend services online via YouTube live stream. All our in-person services are also available via live stream at <https://faithmc.sg/livestream>

4. Who is exempted from PET?

The table below summarises the cases where a worshipper is exempted from PET:

CASES	EXEMPTION POLICY
No PCR, pooled PCR- or, PCR- (> 24 hrs), ART- (> 24 hrs)	Not Exempted from PET
Serology-positive (S+) only	Not Exempted from PET
Discharge memo only (without PET Exemption Notice)	Not Exempted from PET
Recovered Attendees/Patrons with PET Exemption Notice a) <i>270 days from the date of the earliest PCR+ result performed in Singapore <u>or</u></i> b) <i>270 days from overseas PCR+ result if S+ result obtained in Singapore</i>	Exempted from PET
Recovered Attendees/Patrons <i>who do not fall into either of the two categories in the row immediately above</i>	Not Exempted from PET
Vaccinated Attendees/Patrons who have completed the full vaccination regimen in Singapore and have had sufficient time to develop sufficient protection (i.e. two weeks after the second dose of the Pfizer or Moderna COVID-19 vaccination)	Exempted from PET

5. Are children exempted from PET?

All children planning to attend our in-person worship services are not exempted from PET.

6. Where can worshippers obtain a PET Exemption Notice?

i) Worshippers who have recovered from COVID-19 can obtain a PET Exemption Notice from any clinics offering ART or PCR testing services (<https://www.moh.gov.sg/licensing-and-regulation/regulations-guidelines-and-circulars/details/list-of-covid-19-swab-providers>). For worshippers who had been infected with COVID-19 in Singapore, the exemption period will be 270 days from the date of the earliest positive PCR result

ii) For worshippers who have been infected with COVID-19 overseas, you are required to present proof of your overseas positive PCR test result and accompanying local positive serology test result. If the serology test has not been performed, the provider can conduct the serology tests and if the worshipper has tested serology positive, the exemption period will be 270 days from the date of the earliest positive PCR result obtained overseas

7. What are the penalties for failing to comply with PET-related requirements?

Failure to comply may result in breach of Control Order Regulations where a person who, without reasonable excuse, contravenes a control order, commits an offence and shall be liable on conviction

i) to a fine not exceeding \$10,000 or to imprisonment for a term not exceeding 6 months or to both; or

ii) in the case of a second or subsequent offence, to a fine not exceeding \$20,000 or to imprisonment for a term not exceeding 12 months or to both

8. What about worshippers who fail to bring the required documents at point of entry?

The church can work with you to help acquire or retrieve the documents. If worshippers are not able to provide these documents, the church can deny them entry into the service / event venue.

9. What about worshippers who are unwilling to provide the required documents or fail to adhere to the PET-related requirements?

The church may inform them that it is an offence to do so and he / she may be subjected to the penalties as listed in Q7.

COVID-19 VACCINATION REPORT

Vaccinated

Effective from

COVID-19 MODERNA (A-COV)

26 MAY 2021

BATCH NO.:

FULLERTON HEALTH VACCINATION CENTRE @BUONA VISTA

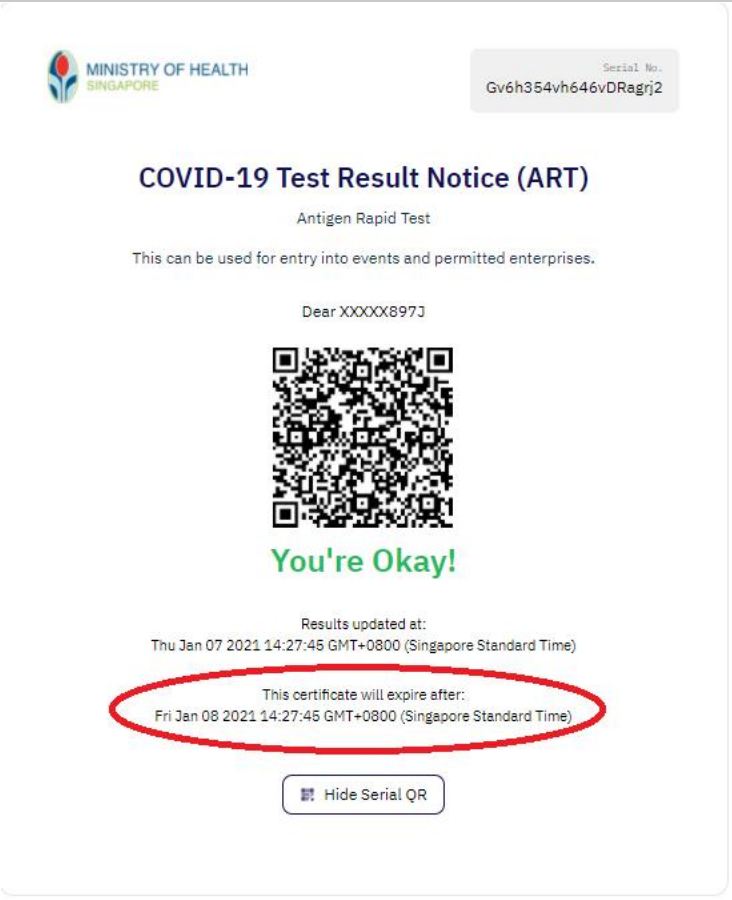

28 APR 2021

BATCH NO.:

FULLERTON HEALTH VACCINATION CENTRE @BUONA VISTA

All doses of the COVID-19 vaccine must be completed to achieve the best possible protection, and for the protection to be as long-lasting as possible. The vaccine has been assessed to be safe for use. However, just like other vaccines, you may experience some side effects such as headache, body aches, tiredness and soreness at the injection site, or fever. These usually get better after 1-3 days and may be a sign that your immune system is making a protective response against COVID-19. The vaccination records are derived from the computerised records of the National Immunisation Registry.

Acceptable Documents for entry into any event, business or activity requiring PET
