

WHY READ?

Psalm 1:1-3

Those who read and reflect on the Word of God will be like the tree in Psalm 1, planted by streams of water. They will bear fruit in season when the Word becomes reality in their lives. The Bible is full of wonderful truths that can surely bless you today!

TRY JOURNALING!

Get more out of your Bible reading by starting a Journal to keep track of your reflections. We recommend using S.O.A.P. as a guide to help you with your devotional journaling:

S - SCRIPTURE

Write down a verse that stood out to you from the day's reading.

O - OBSERVATION

Note down what is happening in the verse. What made it stand out?

A - APPLICATION

List at least one way you can apply the observations to your life.

P - PRAYER

Write a short prayer asking God to help you apply what you've learnt.
